

NESTLÉ® COFFEE-MATE® LIQUID PUMP BOTTLES

Upgrade your program with America's #1 Coffee Creamer

Features of the COFFEE-MATE Liquid Pump Bottle

- Ambient, 30-day shelf life after opening; 9-month shelf life before opening
- Portion control = 1 liquid concentrate pump = 1 liquid creamer single serving
- Approximately 300 servings per bottle
- Pump bottle is non-removable once installed, to ensure food safety
- Zero grams trans fats; no cholesterol; lactose-free; gluten-free; kosher dairy

Benefits of using the COFFEE-MATE Liquid Pump Bottle

- Self serve pump bottle requires no refrigeration
- Keeps your coffee station clean
- Helps your bottom line by preventing costly creamer theft
- Environmentally friendly with less packaging to throw away
