

# The Easiest Stapler on Earth!

Over 30% Recycled Materials Featuring PaperPro's Patented One-Finger® Stapling Power!

## EcoStapler™

by PaperPro®

Now, the best stapler on the planet is also the best stapler *for* the planet with the new EcoStapler™ from PaperPro®. The EcoStapler™ is the first stapler, spring-powered or otherwise, to be fabricated with over 30 percent recycled materials.

- 30% Recycled Product Content..... 13% Post-Consumer, 17% Post-Industrial
- Recycled Packaging ..... 85% Recycled Board Stock Printed with Soy Based Inks

It's all of the power and ease-of-use of PaperPro's patented spring-powered staplers, now with earth-friendly construction and packaging!

Available in 3 Earth-Tone Colors
